**JOHN TULLIS & SON, Ltd.**  
**ST. ANN'S LEATHER WORKS,**  
**GLASGOW,**

*Tanners, Curriers and Machinery Belt Manufacturers.*

Have received the Highest Awards at Paris Exhibition, 1878; Sydney Exhibition, 1890; Melbourne Exhibition, 1881; Calcutta International Exhibition, 1883-84; Liverpool Exhibition, 1886; Edinburgh International Exhibition, 1886; and Newcastle Exhibition, 1887.

Our manufactures embrace belting of all classes, both single and double: Lace, Wax Thread or Copper Wire Sewn, Copper Riveted, or Cemented only, as preferred; Hose Piping, light and heavy, for Brigade and other purposes; Pump Butts; Press Butts; Picking Bands, tanned and green; Skips; Crown, Antelope, Cordovan, Cowhide, and White Laces; Leather and Buffalo Pickers of all kinds and dimensions, and every variety of Mechanical Leathers generally.

**Our Patent Orange-Tan Belting**, flat and chain. Thickness for thickness it will stand **Double** the WORKING LOAD of OAK-TAN or any other leather belting; the TENSILE BREAKING STRAIN being 8,244 lbs. p. sq. in., while that of OAK-TAN is only 4,974 lbs. p. sq. in. (Lloyd's Proving House). It is particularly suitable for very high SPEEDS & SMALL DIAMETERS, e.g., for DYNAMOS, CENTRIFUGALS, FANS, RING-FRAMES, **JUTE LOOMS, TEA GARDENS**, etc., etc., very LIGHT-WEIGHTING, TOUGH, and has larger capacity for the transmission of power and for long tear and wear than any oak-tan or other class produced.

**Also Patent Link or Chain Leather Belting**, which for all classes of heavy work and for Dynamos for Electric Lighting is unsurpassed.

*Manufacturing Leather for Mechanical purposes has been our Chief Business for Sixty Years.*

**Tullis' Llama Hair Belting.** The strongest Hair Belt made, will not stretch, is very pliable and does not cut. Our Patent Leather Edging effectually prevents fraying of the edges by guide forks. **Very largely used in the Jute Mills of India.**

**Tullis' Oxidised Cotton Machine Belting.** For main-driving and running in exposed places; the best belts for **Tea Gardens** and all heavy exposed work.

**"Viking" Chenata Solid Woven Belting.** The **Strongest Textile Belt in the World.** The fabric is composed of Sea Island Cotton saturated with a Solution of **Chenata**. It is proof against atmospheric changes, does not stretch, runs with perfect evenness, and does not fray the edges. The **Tensile Breaking Strain is 2,388 lbs. per inch of width.** Once tried always used.

**We beg to call the attention of belt users to a perusal of our Illustrated GUIDE TO BELT-DRIVING, which we will send gratis on demand.**

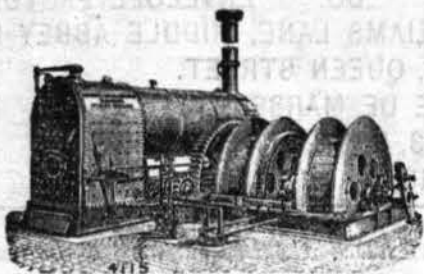

Our Goods can be obtained direct, or ordered through any of the Local Firms in Calcutta or Bombay.

# DR MAJOR'S Vitaline

OR ELIXIR OF LIFE.

THOUSANDS of the British public have been long suffering from various nervous and seminal complaints owing to early excesses, youthful dissipation, and residence in hot and unhealthy climates; but unfortunately they cannot find any means of perfect and permanent cure. From the days of the "Medicine man" down to the present age of modern practitioners and family doctors, the public have been gulled and deluded by an army of quacks. Most illiterate and irresponsible persons have undertaken duties that require the highest acumen and tact of the most keen-sighted and well-read man, and the result has been, as might have been anticipated, eminently disastrous. Not only scores of graves have been filled by the victims to their atrocious meddlings in medicine, but even now sufferers by thousands walk our streets in most deplorable conditions,—their manhood's vigour sapped and undermined—their intellects disordered,—their shattered frames tottering in the wind,—even their life's existence threatened by a number of fatal diseases which the renowned practitioners are unable to cope with. Under such circumstances it is a boon to the public and hope to the hopeless that the vigorous effort and energetic researches of a distinguished American medical man, after continued investigation for years, have at last discovered—

## THE VITALINE or ELIXIR OF LIFE

which is composed of purely and perfectly harmless vegetable ingredients and charged with electricity in a new scientific principle from which it acts like a miracle in the human system, and has given great satisfaction by safely and permanently curing the following diseases:—

VIZ., Nervous and functional Debility, Exhaustion, Spermatorrhoea, Gonorrhoea, Gleet, Unnatural discharges, Sexual weakness, Loss of manhood and memory, Brain fag, Diabetes, Low spirits, Dimness of sight, Dizzy head, Confusion of Ideas, Losses with dreams, at stools and when passing urine, Loss of vigour, Neuralgia, Nervous headache, Muscular and Local weakness, Palpitation, Eruption on face, Dyspepsia, Anæmia, Impoverished blood, General debility, Mental and bodily prostration, Sleeplessness, Costiveness, Premature decay or Deficiency of the vital forces, Impaired vitality, Inability to perform the various duties of life or enjoy its pleasure, Incapacity for study or business, and other nervous complaints and affections of the Kidneys and Bladder, either acute or chronic.

IT relieves the patient promptly from the most distressing symptoms and rapidly restores the affected organs to their normal and natural healthy condition.

IF you value health and strength, and wish to be lifted from a state of physical and mental degradation to all the joy and happiness of a robust and vigorous manhood, then use a complete course of "Vitaline," which never meets any failure.

IN rebuilding the disordered nervous system,—in enriching the impoverished blood,—in removing the obnoxious and poisonous matter from the body,—in giving healthy tone to the deranged physique, and in bringing back youth's vigour and cheer to a doomed life, "VITALINE" stands unrivalled and unequalled.

IT thoroughly invigorates the brain, nerves and muscles, communicates a healthy tone to the system and gives vigour to every organ, excites appetite and prompts digestion and assimilation of food.

• IF your case has been pronounced incurable, if medical skill, drugs, electricity and all sorts of treatment have failed to cure you, even then be not hopeless for your life. Try and test—

## MAJOR'S "VITALINE"

And get rid of your ailments. It is a certain restorative and best alterative. Modern methods and modern remedies make the seemingly improbable possible. Facts which are proved beyond doubt. This remedy is weakened mankind's greatest boon—a cure now within the reach of every man, no matter what his position in life may be.

TO a healthy man regularly taking a dose or two daily, it quickens appetite, removes constipation, and stands as safe guard against attacks of nervous disorders even when exposed to prompt causes for them.

PATIENTS of all ages and stages can use it freely and cure themselves easily and secretly at home in any climate and season.

MANY medical authorities have certified to the marvellous power of "VITALINE" in curing nervous disorders and all diseases of the genito-urinary organs.

Price per bottle (lasting for 10 days), Rs. 3. Three bottles (complete course of treatment), Rs. 8-8. Six bottles, Rs. 16. Dozen, Rs. 30. Postage and Packing, annas 8, 12, Re. 1-4, and 1-8, respectively.

# DR. J. COLLIS BROWNE'S CHLORODYNE

ORIGINAL AND ONLY GENUINE

THE GREAT SPECIFIC

FOR CHOLERA.

**DR. J. COLLIS BROWNE** (late Army Medical Staff) DISCOVERED A REMEDY, to denote which he coined the word **CHLORODYNE**. Dr. Browne is the **SOLE INVENTOR**, and, as the composition of Chlorodyne cannot possibly be discovered by Analysis (organic substances defying elimination), and since the formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne must be false.

**DR. J. COLLIS BROWNE'S CHLORODYNE.**—Vice-Chancellor Sir W. PAGE WOOD stated publicly in Court that Dr. J. COLLIS BROWNE was **UNDOUBTEDLY** the **INVENTOR** of **CHLORODYNE**, that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to. —See Times, July 13th, 1894.

**DR. J. COLLIS BROWNE'S CHLORODYNE** is the **TRUE PALLIATIVE** in **NEURALGIA, GOUT, CANCER, TOOTHACHE, RHEUMATISM.**

**DIARRHŒA, DYSENTERY.** **GENERAL BOARD OF HEALTH, London, REPORT** that it **ACTS** as a **CHARM**, one dose generally sufficient. Dr. GIBSON, Army Medical Staff, Calcutta, states: "**2 DOSES COMPLETELY CURED ME OF DIARRHŒA.**"

The **ILLUSTRATED LONDON NEWS** of Sept. 28, 1895, says: "If I were asked which single medicine I should prefer to take abroad with me, as likely to be most generally useful, to the exclusion of all others, I should say **CHLORODYNE**. I never travel without it, and its general applicability to the relief of a large number of simple ailments forms its best recommendation."

Royal Irish Fusiliers, Cork. Feb. 6th, 1896. **DEAR SIR.**—I wish to give public testimony to the infinite value which your remedy for Dysentery and Diarrhœa (**DR. BROWNE'S CHLORODYNE**) proved to several

members of the Special Service Corps, in the recent Ashanti Expedition. I bought a small bottle just before leaving London for West Africa, and having used it myself with beneficial result, treated some of my comrades with equal success (though some of them were very bad). I should be very glad to recommend it to anyone about to travel in a treacherous climate, where they are so much exposed to this dangerous malady. Gratefully yours, **G. SMITH, "Band," R.I.F.**

To **J. T. DAVENPORT.**

**DR. J. COLLIS BROWNE'S CHLORODYNE** rapidly cuts short all attacks of **EPILEPSY, SPASMS, COLIC, PALPITATION, HYSTERIA.**

**IMPORTANT CAUTION.**—The **IMMENSE SALE** of this **REMEDY** has given rise to many **UNSCRUPULOUS IMITATIONS.** Be careful to observe Trade Mark. Of all Chemists, 1s. 1½d., 2s. 9d., and 4s. 6d.

## PUBLISHERS' NOTE.

WITH the publication of THACKER'S INDIAN DIRECTORY for 1905, the Directory reaches its FORTY-THIRD Issue. Again the Publishers have to chronicle a very large increase in the contents, in spite of careful pruning of extraneous matter. It is also again a pleasant duty to thank the public for the very obliging manner in which information has been furnished, and the Publishers would especially like to express their thanks to the numerous officials who have, with ready courtesy, afforded statistical and other valuable information, and in many other ways assisted in rendering THACKER'S INDIAN DIRECTORY one of the most comprehensive works of its kind.

In the present volume no new sections have been added—the scope of the work is however, very large and there is some difficulty in finding fresh matter for inclusion. The Publishers, however, are always deeply grateful for criticism, and will feel obliged if any errors that have crept in may be pointed out, and also where extra information can with utility be included, if such suggestions be put forward.

It would add greatly to the usefulness of the Directory if trading firms who use its pages for the purpose of circularising would send to the Publishers any covers that are returned through the post. It is obviously impossible for a publication so extensive to be absolutely correct, and co-operation of this nature is most valuable.

There is a fund of useful information to be found in the beginning of the book such as Interest and Wages Calculating Tables, Calendars, Weights and Measures, Postal Information, Income Tax and Duties with much else too numerous to mention in this place.

Special attention, however, may be drawn to the following features, which may not at once attract the notice of users of the Directory and are sometimes overlooked.

The List of INDIAN POST OFFICES AND TELEGRAPH STATIONS commencing on page 105 will be found of great assistance when seeking the name of small stations, which may not appear in the Mofussil Section; it serves as an excellent Index to this portion of the work.

RAILWAY DIRECTORY—particulars of all the employes of the railways. NEWSPAPER AND PERIODICAL DIRECTORY—a list of all the leading periodical publications in India with the object each has in view, and address. The CIVIL DIVISIONS of India show the political and administrative divisions of India, and the List of POST TOWNS and TELEGRAPH STATIONS form an exact working gazetteer. The INDIAN CUSTOMS TARIFF is corrected to date. The TONNAGE SCHEDULES of Calcutta, Bombay, Karachi, Madras, Rangoon, &c., give the rates of business in each port.

ADVERTISERS will find the INDIAN DIRECTORY an extremely effective and genuine means of publicity; it is the leading work of reference throughout India, Burma and Ceylon, with a wide circulation also in Great Britain. The Directory has established itself in every Government and Mercantile office, and the fact of its being everywhere in daily use is the best guarantee that advertisements are continually before the public.

Rates for advertisements and other information regarding them can be obtained from the Publishers in Calcutta, or from Messrs. W. Thacker & Co., No. 2, Creed Lane, Ludgate Hill, London, E.C., where copies of THACKER'S INDIAN DIRECTORY are always available.

# Portland Cement.

Gentlemen,

From the samples of your Cement that I have tested I am able to certify that it more than comes up to the standard laid down by the India Office.

I can therefore confidently recommend it for use.

Yours faithfully,
